

J. TYLER PROMER

EDUCATION:

B.S. Environmental Science, University of Wisconsin-Milwaukee, Milwaukee, Wisconsin, 2011

PROFESSIONAL TRAINING:

40-Hour Training for Hazardous Waste Operations and Emergency Response (HAZWOPER)

CURRENT PROFESSIONAL INVOLVEMENT: 2013 - present, **AquAeTer**, Environmental Scientist

Mr. Promer joined **AquAeTer's** Centennial, Colorado office to assist with environmental and civil engineering related projects. Mr. Promer has experience in managing field operations, conducting water quality and biological investigations, groundwater and soil investigations and remediation, sample collection, and data evaluation. Mr. Promer has performed sampling and investigation activities at chemical, manufacturing, and commercial facilities. Mr. Promer has also been involved with Phase I Environmental Assessments, as well as data management and analysis.

PRIOR PROFESSIONAL INVOLVEMENT:

2012-2013 A.G. Wassenaar, Field Engineer. Mr. Promer performed residential engineering inspections for new construction ensuring contractors' processes were in compliance with engineered drawings and reports. He also collected soil samples for laboratory analytical testing and used the laboratory results to prepare geotechnical reports.

2012 City of Bolder Open Space and Mountain Parks, Land Management Crew.

2011-2012 Veolia Environmental Services, Environmental Specialist.

2011 Wisconsin Department of Natural Resources, Intern.

AREAS OF EXPERTISE:

Environmental Investigations

Managing Field Operations

Phase I Environmental Assessments

Groundwater Monitoring, Sampling, and Reporting

Drilling Oversight and Monitoring

Spreadsheet and Report Preparation

Potentiometric Surface Mapping

Computer / Modeling

Geographic Information Systems (ArcGIS)

Database Management (Microsoft Access)
