

## GRANT MILLER

### EDUCATION:

B.S., Geology, Colorado State University, Fort Collins, CO, 2014

A.A.S., AutoCAD/Drafting, Pikes Peak Community College, Colorado Springs, CO, 2010

### PROFESSIONAL TRAINING:

40-Hour OSHA Training for Hazardous Waste Operations and Emergency Response (HAZWOPER)

### CURRENT PROFESSIONAL INVOLVEMENT: 2020 - Present, **AquAeTer**, Geologist / Draftsman

Mr. Miller joined **AquAeTer** in the Centennial, Colorado office to assist with environmental and civil engineering related projects. Mr. Miller has experience in managing field operations, conducting water quality investigations, groundwater and soil investigations and remediation, sample collection, and data evaluation. Mr. Miller is an experienced AutoCAD/GIS technician who has provided support for projects such as surface and groundwater modeling, landfill surveys, and various field mapping projects. Mr. Miller has also been involved with Phase I and Phase II Environmental Assessments, and provided QA/QC oversight as part of a landfill construction project.

### PRIOR PROFESSIONAL INVOLVEMENT:

2018	Seneca Companies, Environmental Scientist
2017	EMK Consultants, AutoCAD Civil 3D Technician
2016	General Synfuels International, Geologist
2014	Kumar & Associates, Geologist

---

### AREAS OF EXPERTISE:

#### Environmental Investigations

Managing Field Operations  
Phase I/II Environmental Assessments  
Groundwater Monitoring, Sampling, and Reporting  
Drilling Oversight and Monitoring  
Spreadsheet and Report Preparation  
Potentiometric Surface Mapping

#### Computer/Modeling

AutoCAD Civil 3D  
Geographic Information Systems (ArcGIS)  
Database Management, (Microsoft Access)

#### Landfills

Construction Quality Assurance Plan Preparation  
Geosynthetic Installation QA/QC oversight
